

STATE OF THE SCIENCE
Health and Safety of
Gulf Coast and U.S. Caribbean Fishers

Save the Date

March 3-4, 2025
San Juan, Puerto Rico
Hotel Rumbao

Discover the Latest Research & Engage with Community Voices

Join us as we explore the latest research on topics impacting fisher communities along the Gulf and Caribbean Coasts, while also hearing from community voices in these areas.

Community Voices

Engage directly with fishers and local community leaders who can provide invaluable on-the-ground perspectives.

- ✓ Network and Collaboration
- ✓ Unique Insight

Invited Research

Hear firsthand from leading experts on the newest findings that directly impact fisher communities.

- ✓ Explore Solutions
- ✓ Connect with Experts

Call for Abstracts

Emerging scholars are encouraged to submit their work to be presented as a poster or oral presentation.

- ✓ Posters and Presentations
- ✓ Visit gccsos.org to learn more

Hotel
